

## Hoopa Career And Technical Program (HCATEP) Student Textbook/Supplies Request Form

Please complete the following request form if you would like to participate in the HCATEP Textbook/Supplies Loan Program. HCATEP participants are required to meet with their academic advisor for the approval and submission of this form. All changes to a student's college class schedule must be approved by an HCATEP Advisor. The program will not approve textbook requests for participants who enroll in classes that are not listed on their student education plan and/or if fees are owed to the program until they are paid in full.

To be eligible for textbook/supplies loan program, participants must be in good standing with HCATEP, agree to return all loaned items by the deadline as stated in the program handbook, apply to the Extended Opportunity Programs & Services (EOPS) and submit EOPS proof of purchase or denial of eligibility prior, to receiving program textbooks or supplies. Requests must be submitted at least 10 days in advance to allow ample time for processing and delivery of the items to the program.
